

RIVER FOREST

MULTI-FAMILY DEVELOPMENT | CHESTER, VIRGINIA

CLIENT

Associates Estates,
Bogese Companies,
and Pulte/Centex

PROJECT DESCRIPTION

River Forest is a mixed-use development consisting of retail shopping centers, commercial pad sites, quad-plex condominiums and multi-family apartments. The site is a superior combination of shopping, dining, entertainment and living space all in one community situated in Chesterfield County, Virginia. The Townes Team performed all engineering, surveying and environmental work and construction inspection on the River Forest project.
